

**Nautilus Middle School**

## **SUPPLY LIST 2016-17**

To take advantage of low school supply prices and tax free shopping over the summer, we have prepared a general supply list of items for the 2016-2017 school year. Keep in mind that at the beginning of the school year teachers will be giving students instructions about the supplies needed for their specific classrooms. This list of supplies simply provides you a general guide of what students will use throughout the school year, so use your own discretion about what to buy.

- Loose leaf notebook paper
- Pens, pencils and sharpener
- Colored pencils
- Calculator (basic; non-scientific)
- Glue sticks
- Ruler
- USB flash drive
- Highlighters: multi-colored
- Graph paper
- Novels for daily reading (some to be assigned throughout the year)
- Journals
- Bookbag (**without wheels**)
