SUPPLY LIST 2017-18

To take advantage of Back-To-School specials and the Sales Tax Holiday over the summer, we have prepared a general supply list of items for the 2017-2018 school year. Keep in mind that at the beginning of the school year teachers will be giving students instructions about the supplies needed for their specific classrooms. This list of supplies simply provides you a general guide of what students will use throughout the school year, so use your own discretion about what to buy.

- Loose leaf notebook paper
- Pens, pencils and sharpener
- Colored pencils
- Calculator (basic; non-scientific)
- Glue sticks
- Ruler
- USB flash drive
- Highlighters: multi-colored
- Graph paper
- Novels for daily reading (some to be assigned throughout the year)
- Journals
- Bookbag (**without wheels**)
