

**Nautilus Middle School
Junior Scholars International
2018-2019**

Dear Parent or/Guardian,

If your child attends an elementary school in the Miami Beach Feeder Pattern (i.e. North Beach Elementary, South Pointe Elementary, Biscayne Elementary, and Treasure Island Elementary) he or she is automatically registered at Nautilus Middle School for 6th Grade.

If your child attends a school whose students are not automatically registered at Nautilus Middle School, please contact the school registrar, Ms. Rosa Jimenez (rmjimenez@dadeschools.net), in order to facilitate the registration process. This includes students at:

- a K-8 Center or middle school
- a private school or charter school
- a school out of the Miami Beach Feeder Pattern*

*Please contact your home school to request an area transfer if you live outside of the Miami Beach area and want your child to attend Nautilus Middle School as a JSI student.

SUPPLY LIST 2018-19

To take advantage of low school supply prices over the summer, we have prepared a general supply list of items for the 2018-2019 school year. Keep in mind that at the beginning of the school year teachers will be giving students instructions about the supplies needed for their specific classrooms. This list of supplies simply provides you a general guide of what students will use throughout the school year, so use your own discretion about what to buy.

- Loose leaf notebook paper
- Pens, pencils and sharpener
- Colored pencils
- Calculator (basic; non-scientific)
- Glue sticks
- Ruler
- USB flash drive
- Highlighters: multi-colored
- Graph paper
- Novels for daily reading (some to be assigned throughout the year)
- Journals
- Bookbag (**without wheels**)
