Dear Parents:

We are very excited to announce that Nautilus Middle school will have an iPrep Math Program on campus beginning August 2013!

Students in grades 6 through 8 who are interested in participating will be enrolled in the iPrep Math learning center during their mathematics class. This voluntary Program will allow your child to participate in a 21st century learning environment where mathematics instruction will be delivered in a personalized and highly technological setting.

As an iPrep Math student, your child will be offered a variety of educational Experiences such as access to online, research-based, mathematics content that is aligned to the state standards. Your child will participate in college and career preparations skills and be eligible for academic and behavioral counseling services. The iPrep Math student will be able to drive their own learning, engage in critical thinking skills and participate in in project-based activities.

Please complete the form below if you would like your child to participate in the iPrep Math program. The form must be returned to your school.

If you have questions or would like additional information, please contact the school at (305) 532-3481.

Sincerely,

Rene Bellmas
Principal

_____ Yes, I would like my child to participate in the iPrep Math Program, and I understand that this will be his/her mathematics class for the 2013-2014 school year.
